Assumptions: Our quotation for the claim is based on the following assumptions. **Where an assumption does not fit your claim** please check the box to discuss any adjustment required to meet your circumstances.

The claimant has no BTE insurance to cover legal costs

The insured ATE level is 100% of own costs

Claimant contribution is insured

Law Firm's CFA uplift is calculated on fees deferred

Counsel's CFA uplift is calculated on fees deferred

Only 65% of recoverable costs are recovered

Possible early settlement occurs at 1/3 of trial time

Costs expended at early settlement = 35% of total

Possible mid settlement occurs at 2/3 of trial time

Costs expended at mid settlement = 60% of total
